Docket No.: CC Docket No. 96-45
Legal Reporting Name: Hunt Telecommunications, LLC
Filer ID: 824600
RE: Letter of Appeal – May 2007 FCC Form 499-Q Revision Rejection

To whom it may concern:

Hunt Telecommunications is submitting this Letter of Appeal in response to a letter issued by USAC on 09/11/2007 indicating that the revised May 2007 FCC 499-Q has been rejected. It is the intention of Hunt Telecommunications to receive a reversal ruling based on the facts/details provided herein and with consideration to our account history, the actions that we are taking to resolve the discrepancies and our desire to continue to provide services to those customers that benefit from other FCC funding programs.

Hunt Telecommunications historically has been a *de minimis* telecommunications provider. As a *de minimis* provider, we have not been required to contribute nor file a Telecommunications Reporting Worksheet (Form 499). USAC records indicate that although Hunt Telecommunication was not required to submit FCC Form 499-Q due to *de minimis* status, the August 2005 499-Q and the February 2006 499-Q were submitted and reported zero revenue for the company. Revenue growth was experienced in the 2nd Quarter of 2006 therefore August 2006 499-Q was filed to report such growth even though none of the growth was attributed to interstate/intrastate revenue.

It wasn't until January 2007 that Hunt Telecommunications began accruing revenue for interstate telecommunication services which would have been reported on May 2007 499-Q. On May 1, 2007, a former employee of Hunt Telecommunications completed the May 2007 FCC Form 499Q incorrectly and reported that 100% of company revenue was attributed to interstate revenue. As a result, USAC has calculated quarterly contributions based on inaccurate figures and three invoices have been generated thus far – one for each month that 100% revenue was

used to project 3rd Quarter earnings. The reporting error was not detected until the first invoice was received (Invoice #UBDI0000257994) dated 07/20/2007. At this point the available time-frame for revisions had already passed, therefore, we began the appeal process.

We do recognize that an email notification was generated automatically by the USAC billing system at the time the May 2007 499-Q was submitted which informed us of the increase in reported revenue. The email indicated that compared to the last filing dated 02/01/2007 (which was an estimate filing calculated by USAC), our contribution base would increase. Since Hunt Telecommunications had experienced considerable revenue growth (zero attributed to interstate/intrastate revenue until January 2007) any interstate growth reported in May 2007 (for the 1st Quarter) could be considered significant. It is for these reasons that the notification was not interpreted as a warning nor that a revision would be needed.

Included in this appeal is a copy of the Revised Form 499-Q Rejection decision letter being appeals, the corrected May 2007 Form 499Q completed 09/05/07, the original May 2007 499Q filed incorrectly and the August 2006 499Q which is the first filing that reported revenue (although zero was attributed to interstate/intrastate revenue). Form 499 Filer ID: 824600

RE: May 2007 FCC Form 499-Q Revision Rejection

Federal Communications Commission (FCC) regulations require carriers to file an FCC Form 499-A annually and an FCC Form 499-Q quarterly and require the Universal Service Administrative Company (USAC) to bill contributors based on reported revenues. See generally 47 C.F.R. Part 54. The May 2007 FCC Form 499-Q was due Tuesday, May 01, 2007, with revisions due by Friday, June 15, 2007 (45 days later). This 45 day form revision window is clearly noted in the instructions for the FCC Form 499 Q, is discussed in a document entitled "Helpful Hints" that was included with the form, and is posted on USAC's website www.universalservice.org. In addition, questions concerning forms and revisions can be addressed to USAC via email at Form499@universalservice.org.

Because USAC received the May 2007 FCC Form 499-Q submitted by the above-referenced Form 499 Filer ID 824600 Hunt Telecommunications, LLC after the due date and outside of the 45-day revision window, the form was untimely and will not be processed.

If this submission was intended to revise revenue reported on a previously filed original Form 499-Q, please note USAC has relied upon the revenue previously projected by you for the purposes of calculating your universal service charges for July, August and September 2007. If you failed to timely file an original Form 499-Q, please note USAC has relied on revenue previously reported by you for the purpose of calculating your universal service charges for July, August and September 2007.

When a carrier fails to file an FCC Form 499 by the due date, in order to calculate universal service charges for the relevant period, FCC regulations require USAC to estimate that carrier's revenue based upon previously reported revenue information.

Please note that although you missed the revision window for submission of the Form 499-Q, the annual/quarterly (A/Q) true-up will provide a remedy. USAC's 2008 A/Q true-up will reconcile and revise contributor's account accordingly. The 2008 Form 499 A, reporting annual 2007 revenue, has a due date of April 1, 2008. Upon receipt of contributor's 2008 Form 499-A, USAC will perform the A/Q true-up and post appropriate credits or adjustments to your account.

If you wish to appeal this decision with USAC, your appeal must be postmarked no later than 60 days after the date of USAC's rejection letter. Appeals postmarked after 60 days from the date of this letter will be automatically dismissed.

In the event that you choose to appeal the decision, you should follow these guidelines:

- Write a "Letter of Appeal to USAC" explaining why you disagree with this Form 499-Q rejection letter and identify the outcome that you request.
- Be sure to refer to CC Docket No. 96-45 on all communication with the FCC.
- The appeal must identify the "Legal Reporting Name" and "Filer 499 ID".
- Provide necessary contact information. Please list the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with USAC.
- Explain the appeal to the USAC. Please provide documentation to support your appeal.

- Attach a photocopy of this Revised Form 499-Q Rejection decision that you are appealing.
- Mail your letter to:
Letter of Appeal
USAC
2000 L Street, NW, Suite 200
Washington, DC 20036
- Appeals submitted by fax, telephone call, and e-mail will not be process

The response will indicate whether USAC:

- Agrees with your letter of appeal, and approves an outcome that is different from the Revised Form 499-Q Rejection Letter; or
- Disagrees with your letter of appeal, and the reasons therefore.

If you disagree with USAC's response to your "letter of appeal," you may file an appeal with the FCC within 60 days of the date USAC issued its decision in response to your "Letter of Appeal." Again, please note your appeal must be postmarked no later than 60 days after the date of the Appeal Decision. Appeals postmarked after 60 days from the date of USAC's response to your appeal will be automatically dismissed. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725) are available on the FCC web site (www.fcc.gov).

Please be sure to refer to CC Docket No. 96-45 on all communication with the FCC. The appeal must also provide your company's name and Filer ID, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address of the person filing the appeal. Unless the appeal is by ECFS, please include a copy of the decision at issue.

Appeals submitted via the United States Postal Service, should be sent to the address below (For security purposes, hand-delivered or messenger-delivered documents will not be accepted at this Washington, DC address):

Federal Communications Commission
Office of the Secretary
445 – 12th Street, SW

**THIS NOTICE PROVIDES IMPORTANT INFORMATION
ABOUT YOUR ACCOUNT AND YOUR RIGHTS
AND OBLIGATIONS UNDER LAW
- PAST DUE NOTICE -**

Dear Contributor,

Our records indicate that as of September 30, 2007, your account (Filer 499 ID 824600) is over **30 days past due and delinquent**. The portion of your account balance that is delinquent totals \$6,647.86.

**THE FOLLOWING PROVISIONS CONTAIN IMPORTANT INFORMATION AND A
DESCRIPTION OF LEGAL RIGHTS, OBLIGATIONS, AND OPPORTUNITIES.
FIRST NOTICE-DELINQUENT ACCOUNT**

1. Debtor is cautioned that failure to make the demanded payment will result in further sanctions, including, but not limited to, the initiation of proceedings to recover the outstanding debt, together with any applicable administrative charges, penalties, and interest pursuant to the provisions of the Debt Collection Act of 1982 (Public Law 97-365) and the Debt Collection Improvement Act of 1996 (Public Law 104-134), as amended (the DCIA), as set forth below.

2. If we do not receive full payment of the outstanding Debt including associated administrative fees and penalties within 30 days of the date of this letter (Demand Date), pursuant to the DCIA, you may incur additional charges and costs, and the possibility that the Debt may be transferred to the Federal Communications Commission (Commission or FCC) and/or the United States Department of Treasury (Treasury) for debt collection. The FCC has determined that the funds are owed to the United States pursuant to the provisions of 31 USC § 3701 and 47 USC § 254. Because the unpaid amount is a debt owed to the United States, we are required by the DCIA to impose interest and to inform you what may happen if you do not pay the full outstanding debt. Under the DCIA, the United States will charge interest from the date of this notice, you will be required to pay the administrative costs of processing and handling a delinquent debt as set by the Treasury (currently 18% of the debt), and you will be charged an additional penalty of 6% a year for any part of the debt that is more than 90 days past due. Interest on the outstanding debt (DCIA Interest) will be assessed at the published investment rate for the Treasury tax and loan accounts (Treasury Current Value of Funds Rate). However, if you pay the full amount of the outstanding debt including associated administrative fees and penalties within 30 days of the Demand Date, the DCIA Interest will be waived. These requirements are set out at 31 U.S.C. § 3717.

3. When we transfer the Debt (to the Commission or later to the Treasury), you may be subject to other administrative proceedings. Your failure to pay the Debt may be reported to credit bureaus (*see* 31 USC § 3711(e)), the Debt will be considered for administrative offset (*see* 31 USC § 3716), the Debt may be further transferred to collection agencies (*see* 31 USC § 3711 & 3718), and also the Debt may be referred to the United States Department of Justice or agency counsel for litigation. In that situation, You may be subject to additional administrative costs that result from the litigation. Moreover, pursuant to 31 USC §3720B, a person owing an outstanding nontax debt that is in delinquent status shall not be eligible for Federal financial assistance. You should be aware that the discharge of any portion of the debt may be reported to the Internal Revenue Service as potential taxable income.

Opportunity of Inspection, Review, and Repayment Agreement

4. You have an opportunity to inspect and copy the invoices and the records pertinent to the Debt, and you may request that we review the records pertaining to the Debt and you may, in connection with that request and review, present evidence that all or part of the Debt is not past due or legally enforceable. Finally, you have an opportunity to request a written repayment agreement (including a Promissory Note) to pay the full amount of the Debt. In that case, however, You must first provide evidence that demonstrates financial inability to pay the debt in one payment. Your claim of financial inability to pay in one payment is subject to verification (*see* 31 CFR § 901.8), and if Your request is approved for further processing, You will be required to execute a written agreement suitable to the Commission. You should be aware that repayment agreements regularly impose a number of obligations on the debtor, including additional administrative charges, audit obligations, and surety bond requirements. For more information on the obligations associated with repayment agreements, *see* www.universalservice.org. If you desire to exercise any of these above described rights, you must do so in writing delivered to and received at the address below within 30 (thirty) days of the Demand Date. Any required evidence must be submitted at the same time that You submit your request. Failure to provide the written request (and, as appropriate, the required evidence) within the stated time is a waiver of these opportunities.

Docket No.: CC Docket No. 96-45
Legal Reporting Name: Hunt Telecommunications, LLC
Filer ID: 824600
RE: **Response Letter to Past Due Notice**

To whom it may concern:

Hunt Telecommunications has received a Past Due Notice dated 10/03/07 from USAC outlining important information regarding our account and the rights and obligations of Hunt Telecommunications as a contributor. According to the Past Due Notice, we have thirty days from the date of the notice to make payment towards the claimed debt to avoid late fees, DCIA interest charges and the transfer of this debt to the FCC. This due date, also classified as the USAC Demand Date, was set for 11/02/07 for Hunt Telecommunications. Within the guidelines of the Past Due Notice it was explained that Hunt Telecommunications has 30 days from the Demand Date to exercise our rights outlined in Section 4: Opportunity of Inspection, Review and Repayment Agreement.

As a result, Hunt Telecommunications is exercising those rights and is formally requesting that USAC review all records pertaining to the debt, and in conjunction to this request, Hunt Telecommunications is presenting evidence that all or part of the debt is not past due nor is the considered debt legally enforceable. ***See Appendix A: Comprehensive Letter of Appeal submitted to USAC on 11/20/2007 outlining the detailed actions and documentation relative to Hunt Telecommunications attempt to reverse the claimed debt.***

Also included in this Response Letter is a copy of the financial records for Hunt Telecommunications that demonstrates 1) interstate/intrastate revenue historically has been under \$10,000.00 and therefore we have been considered a *de minimus* provider, 2) Hunt Telecommunications increase in revenue and 3) that Hunt Telecommunications is incapable of being bound by such a financial burden. ***See Appendix B: Hunt Telecommunication – 2006 and 2007 Financial Profit & Loss Records and Revenue Summaries from our billing system.***

In addition, Hunt Telecommunications is cautiously completing the repayment agreement process, with the exception of signing a Promissory Note, to show good faith in resolving the situation. By completing the repayment agreement process, Hunt Telecommunications is in no way agreeing that the debt is owed.

Should additional information be needed to support the reversal of the claimed debt, please contact me, the authorized representative for Hunt Telecommunications.
